Dear Friends and Co-Laborers,

As we come to the close of another year, we think about how time seems to be flying by, and just how much all our friends and co-laborers mean to us as we work together to win the lost before our Lord comes back or before He calls us home.

This has been an exciting year for us here on the mission field. Many lives have been changed by the glorious Gospel of our Lord Jesus Christ, which is being preached in many, many places in Nicaragua and Honduras through our national preachers, Samaritan Radio, and other ministries of Good Samaritan Baptist Missions. Many new church buildings, Sunday School rooms, and pastoriums have been built. The Bible Institute in Comali, Honduras ended another year with 10 more preachers graduating and eight pastors were ordained to the ministry in a very special service following the graduation. We saw 98 sixth graders in San Marcos de Colon, Honduras graduate.. most of these will be entering our high school next year. Fifty-two Bachelor in Computer and Bachelor in Science and Letters, and 15 Bi-Lingual Secretary diplomas were given in a beautiful high school graduation. Our Christian school in LaTrinidad, Nicaragua graduated 48 from Kindergarten and 6th grade in a very impressive ceremony, and in Condega, Nicaragua another graduation of 15 from Sixth grade and 33 from Pre-School. Four beautiful young girls graduated from our Sewing Academy in Honduras.

This has also been a year of change. As servants of the Lord, we never know what He has in store for our lives. After 32 years of serving the Lord with the

Good Samaritan Baptist Missions, Antonio Inestroza, feels led to move to the United States to begin a ministry with the Spanish speaking people. He will be working with the Victory Baptist Church in Thorsby, Alabama. Antonio has been with us since he was 15 years old. We have seen him grow up, marry Aminta, who was saved in our second tent meeting in Nicaragua in 1970, have five beautiful children, one of which is now married to the son of Pastor Donald Jones, pastor of Victory Baptist in Thorsby. Please pray for Antonio and his family that God will bless their new ministry, and also pray for Tonia, his daughter, who suffered a stroke a few months ago. We thank the Lord for the wonderful way she is recovering but she needs our prayers.

In 2004 we have had mountains to climb and valleys to cross but the Lord has never left us. During the hard times, that is when we have felt His presence the most. Things happen in our lives that we don't understand, but we find that we have the greatest peace when we don't try and understand – but just accept and remember that we belong to the Lord. He saved us many, many years ago and later called us to be missionaries.

We don't try and understand why Bob Tyson, who, as one doctor said, has worn his body out for the Lord, is now losing his memory and soon won't even be able to remember his walk with God during all these years in Central America, but we try and accept it and remember that Brother Bob belongs to the Lord.

Yes, time is flying by and soon it will all be over. Only what we have done for the Lord will really count...Thank you from the bottom of our hearts for every prayer and every dollar of support that you gave to the ministries of Good Samaritan Baptist Missions in 2004. Thank you for being a part of this very exciting work.

Group from Tanglewood Baptist, along with Ken and Ann Underwood, Sue Bennett and others, were greatly blessed as they gave out food bags, clothing and candy along the road and in the churches.

Brother Ronnie's group gave out food and clothes to the children and adults present. Many children were so excited to get a bag of food that they didn't wait for the candy. We need to buy land here and put up some kind of roof so they can have S.S. without being in the rain or under the hot sun. We need approximately \$4000 for this project.

Our special thanks to Ken and Pat Hensley who helped to make this a very joyful time for these dear people. Special guests, including the police, were on hand to help give out the gifts and later everyone enjoyed a delicious meal.

May the Lord bless everyone who supports this Elderly Center.

Dear Brothers and Sisters in Christ:

On November 26th our annual Bible School Graduation was held in our new facility in Comali, Honduras. Over 1500 people were there to witness this special event. Pastors, school teachers, and members of different churches came from all over Honduras and Nicaragua. It was truly an honor to be able to speak on my father's behalf and tell about the man that has influenced and been such a blessing to my life and so many others. With ten men graduating, eight being ordained, and close to 100 pastors assisting it was only fitting that each one greet the first man in this mission to ever be ordained. My father was so happy and I know this is something that I will never forget.

In the year of 2004, there were five goals set for the Radio Ministry. First, to build a new station in the northern part of Honduras. Second, a production studio that we have desired for many years. Third, having our Radio over the internet enabling others the opportunity to hear this station anywhere around the world. Fourth, a 60 kw generator to secure our station from being off the air. Fifth, a computer that would be able to help program our music and run our studio when needed, but most importantly to reach as many people for Christ as possible. Now in the month of December we are finalizing our last goal. This has definitely been a collaborate effort from many people and I would like to thank every Church or individual for your support to this ministry. With the outreach of the radio, it is hard to give an exact amount but with phone calls, letters and people that visit us daily, there have been approximately 1000 people that have received Jesus Christ as their Savior.

Only God knows what will happen in the year 2005, but my greatest desire is to see many more souls saved through our Lord and Savior Jesus Christ. Everything that is done and accomplished may it always bring Honor and Glory to God.

Steve, Scarleth and Ashley Tyson

Samaritan Radio Network

GUA

co, National Director We have made many missionary journeys since our last reports but in one of these journeys, our vehicle got stuck in the river and we had to wait under the heavy rains and it was 2:00 in the morning when we finally reached our destination. Eleven souls have been saved in this place and one more was saved at a meeting. I preach 5 days a week on the radio and check on all the constructions of the mission, plus I try and visit all the pastors encouraging them in the

BERNANDEZ, SOMOTO. We visited a community called Cacauli with a group headed up by Steve Tyson. This group gave out solar powered radios, pre-tuned to the Samaritan Radio. 63 people made professions of faith in Christ and we will follow up on these.

MATEY, PUEBLO NUEVO. My church gives me a food basket each month with around \$55 worth of food which is a great blessing for me. We have just celebrated the 135th Anniversary of our Bible being translated into the Spanish language. We had a big parade and a wonderful service under the tent.

SEQUEIRA, CONDEGA. We are raising up a new mission work and we have 27 adults saved and 67 children attending S.S. on Sunday afternoons. We have raised \$700 where we can put up some type roof.

EA, ESTELI. I am still preaching on the radio everyday and also helping to prepare 40 more preachers in the Bible Institute. My church is enthused and bringing in more people to hear the Word and people are receiving the Lord. I have a sadness in my heart for the loss of my dear mother on September 3 but my joy is that she knew the Lord, her personal Saviour.

BAN ACUNA, OCOTAL. God is blessing the jail ministry..8 have been baptized in the jail. We are building two more churches but we need \$3000 to finish these. In November we had three campaigns, an all-night meeting and baptisms. The church I pastor is a missionary church. We have established four churches in our own church buildings and are in the process of building two more. God called me when I was 16 years old and I went to the Bible Institute of Good Samaritan in San Marcos and was taught by Bro. Bob Tyson. I have been preaching and serving the Lord for 29 years.

ESCO, ARCA DE NOE. There's a house for sale for \$700.00 that we are praying to the Lord to touch someone's heart to help us buy to hold services in.

NE CASCO, TRANQUERAS. I made a missionary journey to El Triunfo, New Guinea where we had to pass through deep rivers, almost to our necks and it was in the middle of the night. We slept on wooden benches but the Bible tells us that our work is not in vain. I returned to my home rejoicing in the Lord but almost barefoot because my shoes got too wet.

AS

ON AGUIRRE, SAN MARCOS. My time is completely dedicated in the work of the Lord. On Mondays, I give spiritual counsel in the high school. Tuesdays and Wednesdays, I teach in the Bible Institute in the morning and the middle of the day I bring a message in the Elderly kitchen and a message in church on Wednesday nights. I give spiritual counsel to the teachers in the grammar school on Thursday and at noon I preach in the children's kitchen. Friday and Saturday is dedicated to visitation and on Sunday I preach in church. God is richly blessing my ministry.

HAVARRIA, EL CORPUS. Three years ago I began visiting and preaching in an area 10 kilometers from the church and God has blessed our efforts. Now there is a church established in this place with its own pastor.

ESCALANTE, VALLECILLO. My wife and I had the privilege of attending a Seminar held by Bro. Tommy and Mary Lynn Crider on the home which was a great blessing for all of us.

ESPINOZA, MARCOVIA. I am preaching in a new place and God has given me a vision that a church will be raised up here...8 souls have been baptized and 13 more are being baptized.

OMEZ, EL CORPUS. Eleven churches of our Mission in Section 3 celebrated Bible Day in Yusquare with a parade three blocks long. I had the privilege of preaching in the park after the parade.

E LINARES, EL CARMEN. Many souls have been saved in a new area.

PEZ, CHOLUTECA. We are raising up a new mission 20 kilometers from the church. My wife and I travel by bus after our services on Sunday morning and we have raised money for some type of transportation so we can come back the same day.

ANTONIO MARTINEZ, CHOLUTECA. The Samaritan Radio is a great blessing and I invite you to listen to my program on Saturday mornings at 8:00 a.m. at www.samaritan.ms. I preach on Saturdays in the prison. We are still praying for SS rooms and a pastorium.

REDO MELGAR, CHOLUTECA. On November 25, we entered the military base with a group of North Americans giving away more than 100 Bibles to the soldiers. On November 28, I graduated from the Good Samaritan Bible Institute.

RDONEZ, EL TRIUNFO. We celebrated Childrens' Day with over 400 children in the church. We also celebrated Bible Day in the church with all our missions in the area and the church was too small for this great amount.

RODRIGUEZ, SAN LORENZO. Every Sunday afternoon, members of Calvary Baptist and I are journeying to a new mission camp called Material to hold Sunday services. These people are very poor, many with only tortillas to eat in their houses. A group from the United States brought food bags and clothing into this village and it is a great blessing. We are praying for land where we can put up some kind of roof to have Sunday School for the teenagers and maybe another roof for the adults. The money is set in a house that is being loaned to us. Land and the roof would cost about \$3,000.00. Another blessing has been the ordination service of 8 pastors in our area and the graduation of nine Bible School students.

We are so thankful that one of our national preachers that helped Bob Tyson begin the ministry many years ago is returning to work with us. Jose Santos Espinoza has been a great blessing to thousands of people and we are praying that God will touch hearts in the United States to support him on a monthly basis. He will be working in evangelism, radio, Bible Institute, and helping our younger pastors.

The purpose of the Good Samaritan Baptist Mission for thirty five years is to preach the Gospel to spiritually starving people in Central America. God to leave his home in Villa Rica, Georgia and travel to a land he had never arriving in Nicaragua, he knew that without God's help he would surely know, that 35 years later, this mission would grow into a massive force pastors and churches throughout Central America with six Radio Stations, Schools, and thousands of hungry children being fed everyday.

We want to thank God for His blessings on our lives. We also want to thank you for your prayers and support. Good Samaritan Baptist Mission is growing a promise to keep you informed. AS WE GROW, YOU WILL GROW WITH US.
